20 sierpnia w miejscowości Albrechtice w Jizerskich górach organizowane zostały obchody „Międzynarodowego Dnia Zintegrowanych Straży Ratowniczych – Góry Izerskie 2016”.  
Relacja foto i video.  
W ramach współpracy ze stroną czeską zorganizowane zostały zawody drużyn młodzieżowych przy jednostkach Ochotniczych Straży Pożarnej.  
W kategorii żeńskiej pierwsze i drugie miejsce zajęła drużyna z czeskiego Bozkova, trzecie drużyna Tanvald i czwarte z miejscowości Zlatá Olešnice. W kategorii męskiej startowała jedna drużyna i tutaj znowu bezkonkurencyjnie okazała się drużyna z Bozkova natomiast dziewięć miejsc zajęła drużyna polska z Jeleniej Góry. W kategorii dziecięcej zawodnicy z Polski zajęli pierwsze, trzecie, czwarte i piąte miejsce na siedem startujących drużyn.  
Obok zmagających się drużyn każdy z uczestników wystawił swoje stoisko. Jeleni Górze oprócz Państwowej Straży Pożarnej i drużyny OSP reprezentowali przedstawiciele Wydziału Ruchu Drogowego Policji, Wydziału Zarządzania Kryzysowego i Straży Miejskiej w Jeleniej Górze.  
Dużym zainteresowaniem wśród najmłodszych mieszkańców Albrechtic cieszy się miasteczko ruchu drogowego. Dzieci pod opieką strażników i swoich rodziców mogli jeździć na rokadach. Na zakończenie przejeżdżali nagradzani byli odblaskami zaklejanymi na rękach nalepkami z wizerunkiem buki naklejanej na ubranie tzw. smilek. Po narysowaniu obrazka dzieciaki dostawały pojemnik do robienia baniek mydlanych. Dziewczynki nagradzane były także skakankami lub gumkami do skakania.  
Stoisko Straży Miejskiej w Jeleniej Górze cieszy się także dużą popularnością u dorosłych. Strażnicy udzielali odpowiedzi na liczne pytania związane ze specyfiką przepisów naszego kraju i nie tylko. Pytania odnosiły się do tego na co należy uważać odwiedzając Polskę Czy trzeba dzieci wozić w fotelikach? Czy kontroluje się wyposażenie samochodu w zapasowe opony? Czy jak się wypije jedno piwo do obiadu to czy można jechać. Ile kosztuje wstąpienie do naszych „Term Cieplickich”? Zainteresowanie było duże i jak się można było przekonać dotyczyło wszystkich dziedzin życia.  
Dosyć ciekawa forma prezentacji mundurów realizowana była przez stronę czeską. Stoisko każdej ze stron na uprzednio przygotowanym blankiecie stawiało dzieciakom pieczęć. Należało zebrać komplet, każdy dla najmłodszych miał przygotowany jakiś drobiazg.  
Dużym wrażeniem na widzach zrobił pokaz tresury i interwencji przeprowadzanych przez przewodnika z psem. Sprawnie przebiegały ćwiczenia związane z opanowaniem buntu grupki awanturujących się osów – osadzonych. Ciekawie wyglądała też sprawnie przeprowadzona akcja ratunkowa.  
Nad wszystkimi czuwał senator Jaroslav Zeman, który jak się można było przekonać na miejscu znał osobiście chyba wszystkich mieszkańców miasta. Dzielnie towarzyszył mu posłanka Pani Jana Pastuchová
